

CAPTAINS ELITE LACROSSE CAMP

JULY 26th – 28th, 2020

Join us for a fun instructional lacrosse camp located on the beautiful campus of Christopher Newport University. Instructional sessions will reinforce fundamentals, perfect positional skills, and introduce team concepts to help players improve their game. Campers will also compete in scrimmages with other players while receiving instruction from college coaches and players.

Captains Elite Camp is also a great opportunity for prospective student-athletes to experience all that Christopher Newport University has to offer. If you are considering CNU as a place to continue your academic and athletic career, then this camp is perfect for you! During camp, you will have the opportunity to explore our beautiful campus, experience campus housing, and eat in the dining hall. Current players will be on hand as camp counselors to answer questions about CNU, our lacrosse program, and their experience as a student-athlete. In addition, our coaching staff is present at every training session allowing for maximum exposure.
